## We Will Adhere to all COVID-19 Guidelines recommended by NYS and Onondaga County Health Department

***PLEASE if your child does not feel well, please do not send him to camp***

Upon arrival each day, all campers will have their temperature taken with a touchless thermometer

Campers will be asked to wash their hands upon arrival and hand sanitizer will be provided for them as well

All campers will be required to bring a mask, while we will maintain social distancing with our drills, in the event a camper is not able to, a mask will be required.

All equipment will be cleaned and sanitized prior to use each day

Have each camper bring their own water bottle, as water fountains will not be available
