

Dear Students and Parents,

All students in AP English Literature for the 2019-20 school year have a different summer reading assignment from other students. Your assignment is to read Ernest Hemingway's **A Moveable Feast**, which is about his writing as an expatriate in Paris in the 1920's.

Students should create a t-chart (sample diagram attached) noting parts of the book that are important and discussion/student observations. This is what you will learn to call a dialogic journal through taking this course.

This assignment needs to be completed by the first day of school.

**In addition**, all juniors are required to read "Civil Disobedience" by Henry David Thoreau for Religion 11.

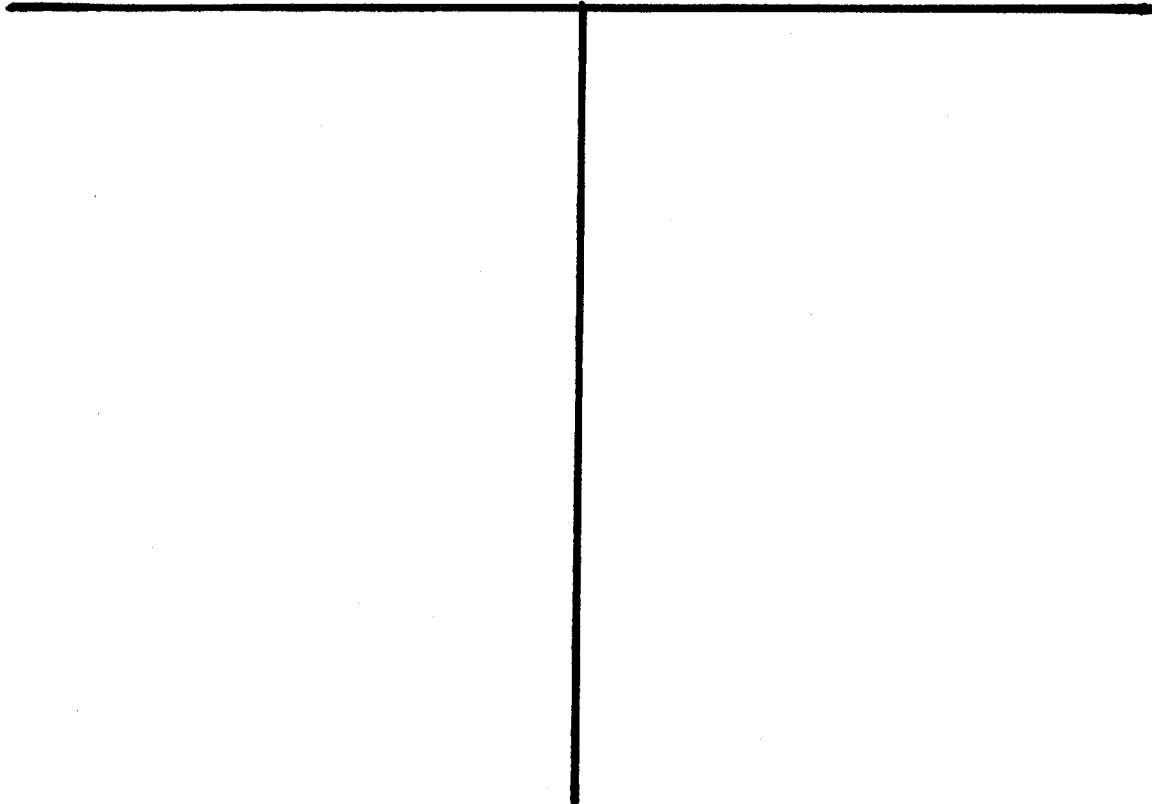

All seniors are required to read "Sophie's World: A Novel About The History Of Philosophy" by Jostein Garrder for Religion 12. **The novel for religion is in addition to the summer reading requirement.**
