## IB Progress

*Bishop Ludden is currently a candidate school for authorization to offer the International Baccalaureate Diploma Programme (DP). Once authorization is completed, we can anticipate offering IB courses starting September, 2020.*

### We are moving through the IB Authorization Process

Bishop Ludden has now completed all requirements for candidacy in the International Baccalaureate (IB) Diploma Programme (DP). A second site visit from IB evaluators occurred October 17-18, when two professional IB observers met with Bishop Ludden administrators, teachers, support staff, students, parents, and board members. At the conclusion meeting with Principal Cosgrove and Programme Coordinator Ann Day, the observers expressed their pleasure at the quality of the personnel they interviewed. They explained that their primary task was to collect information and complete a school profile, which is then sent to an evaluation committee. That committee will make its decision and notify Bishop Ludden before the end of 2019.

### After Authorization

Once Bishop Ludden is formally authorized as an IB World School, expect a flurry of activity as we notify and inform families, students, and the Bishop Ludden community of the changes and new opportunities available. (Formal, detailed promotion of the IB DP is prohibited until the applicant school is completely authorized and approved.) Students who are entering as JUNIORS in September 2020 will be the first group eligible to complete all qualifications to earn an IB Diploma. Students who are SENIORS in September 2020 may select from some of the IB classes offered, but it will be impossible for them to complete all the requirements for the actual Diploma. However, every IB course is college-level learning that exposes students to the rigor of post-secondary study, and so, by itself is valuable, proven college preparation.

**IB courses are either Higher Level (HL, or two year) or Standard Level (SL, or generally one year).** Bishop Ludden currently anticipates offering the following IB classes next year:

English Literature HL  
French SL  
Spanish SL  
History of the Americas HL  
Environmental Systems & Society SL  
Mathematics Analysis SL  
Visual Arts HL

**There are additional courses under consideration**, but decisions on which of these might be offered will be made based on student interests, staffing, and scheduling concerns.

Biology SL  
Geography HL  
Mathematics Applications SL  
Philosophy HL  
Psychology HL

Physics SL  
Social & Cultural Anthropology HL  
Sports, Exercise, and Health Science SL or HL  
World Religions SL

**In addition to the six content courses**, IB Diploma students take a class called Theory of Knowledge (TOK), complete projects in Creativity-Activity-Service (CAS), and produce a major research paper called the Extended Essay.

For more info on the IB Programme,  
please see page 7.

## From the Counseling Office

**Juniors:** So you've completed the PSAT, what now? Score reports will be sent to Mrs. Schoeneck in late December. Begin to look online ([www.actstudent.org](http://www.actstudent.org) and [www.collegeboard.org](http://www.collegeboard.org)) and plan when you want to take the SAT or ACT so you can find a date that fits your schedule best. There are test dates December through June depending on which one you want to take. Be aware of deadlines so you aren't paying fees.

**Which one is right for you?** See below:

## SPEAKER DELIVERS LIFE LESSONS TO STUDENTS

*From The Catholic Sun (Oct. 31 issue):*

When 11th-grader Jasmine Cuffee eagerly participated in a short skit during guest speaker Mike McCoy's Oct. 22 presentation at Bishop Ludden Jr/Sr High School, she learned an important lesson—that decisions determine our destiny. That's the exact message that McCoy, former NFL football player and president of Mike McCoy Ministries, wants to convey to his young audiences.

The skit was simple. It involved four empty chairs, McCoy, and one of Cuffee's trusted friends, Lucille Keegan. Three chairs represented "landmines," or destructive hurdles that can prevent you from living a Christ-filled life: sex, alcohol, and drugs. The fourth chair symbolized a person's goal or dream for their life. The chairs were placed like an obstacle course, and Cuffee, who was blindfolded, had to rely on her listening skills. While Keegan's directions were spot-on, McCoy played the voice of distraction as Cuffee pressed desperately toward her goal.

**"It was really hard to focus on more than one voice at a time,** and as a teenager, it kind of showed you what it's like to go through high school and have to deal with peer pressure," Cuffee said.

McCoy last week visited 19 out of the 22 schools in the Roman Catholic Diocese of Syracuse. His objective is to reach the younger generations with a faith-based message of faith, hope, and encouragement which will, in turn, enable them to make better decisions in their lives.

"I think a lot of them are encouraged," he said of the students after hearing him speak. Much of the feedback he receives comes through notecards that are given out at the end of the presentation. This is an opportunity for kids to open up confidentially and express any troubles they may be enduring. When deeper issues are brought to his attention, his ministry intervenes.

**"We had over 340 students turn in cards actually** saying they were contemplating suicide," McCoy said. "Our culture is destroying our young people today." Bishop Ludden vice principal Mike Morgan commended McCoy for his down-to-earth, relatable approach when speaking. With humor and audience interaction, McCoy spoke of his own tough upbringing and the challenges he endured and eventually overcame.

When asked about her thoughts on the presentation, Bishop Ludden guidance counselor Kristin Schoeneck was clearly moved. She was reminded of Patty Schramm, a long-time and beloved Ludden counselor who died in January 2018.

**"In my six years working with Patty,** she passed on to me her mantra that all people, not just kids, need to be authentic, live their truth, and own their own mistakes," Schoeneck said. "We work with students on an individual basis to help students understand that their fate is always in their hands by their actions and reactions to circumstances in their lives. This certainly coincides with Mike's message."

### **IB Programme continued from Page 2.**

Whether the Diploma is earned is determined by the total number of points scored on the final assessments in the six content courses, plus a few additional rules. Finals are scored on a scale of 1-7, and a student who completes all Diploma requirements, and accumulates at least 24 points, is awarded the Diploma. Specifics of Diploma requirements is a topic for a future column, but to put it very simply, a student who scores "4" (or mid-range) in every subject could be eligible to receive the Diploma. IB is designed not for the very brilliant student: it is designed for the very motivated student.

The true value of IB study is in preparing students who are very successful in their post-secondary education.

## In the Spotlight: Coach Oscar Vergara

*From The Catholic Sun (Oct. 24 issue):*

**Coach Oscar Vergara on the soccer field.**

Just a good finish? It was perfect!

In one of his final soccer practices for the Bishop Ludden High School boys varsity, Coach Oscar Vergara saw a player kick a ball that ticked off the left post and snapped into the goal.

“Good finish, good finish,” the coach called.

The four-on-four practice was turning into the Oscar Olympics, although the humble coach would never phrase it that way. The goalies also shined; one of them collapsed to the ground and artfully kicked the ball away in one motion.

“Good save, good save, Michael!” Coach V called.

Soccer balls were flying everywhere.

When one came his way on the sideline, he kicked it away as if he were back on the Colombian playing fields of his youth.

For 43 years, he has been offering soccer demonstrations (he has been known to take on the goalie himself) and affirmation with an overall appreciation for his athletes, their parents, and the school.

“He’s not the type of person that likes to be in the spotlight,” said one of Ludden’s four senior captains, midfielder Noah Kerwin. “Very humble.”

But now Coach V, a Ludden alumnus, is stepping out of the spotlight with a little over 500 wins in a coaching career that includes two years at the former Assumption Academy, two years at Corcoran HS, five years at West Genesee HS, and about 37 years at Ludden.

Coach Vergara has been a tremendous asset to Bishop Ludden for a long time,” Ludden Athletic Director Gallagher Driscoll said in an email. “He has taught our student athletes how to play the game; how to win and lose with dignity and class. He has always held them to a higher standard. He is an icon on and off the field. We are blessed to have him as our coach.”

Coach V is hopeful that a suitable replacement for him will be found by the end of the year.

### **Bishop Costello’s foresight**

When he was 17, Coach V arrived in Syracuse. The late Auxiliary Bishop Thomas J. Costello, who was then the superintendent of schools, awarded him a scholarship based on his need to get out of an at-risk environment in Medellin, Colombia.

In addition to coaching soccer, Coach V also ran the Big Brothers Big Sisters program for Peace, Inc. in Syracuse.

## SCRIP PROGRAM

Do you shop at Target? Walmart? Amazon? JCPenney? Marshalls? Kohls? Barnes & Noble?  
Do you eat at Applebees? Olive Garden? Panera Bread? Cheesecake Factory? Subway? Dunkin' Donuts?  
Are you planning a big home improvement project with Lowe's or Home Depot?  
How about making vacation plans with Airbnb? American Airlines? Hilton Hotels? Carnival Cruise Lines? Disney?

SCRIP gives you the opportunity to earn credit towards your student's tuition when you make your normal purchases from hundreds of retailers

### So, how does it work?

Think of it as substitute money. When you purchase a SCRIP, you're purchasing a normal gift card to use just like cash. But with every card you purchase, you're earning money back towards the cost of tuition at Ludden. SCRIP cards can be used for groceries, clothing, gifts, gasoline, vacations and more! Extended family and friends can also order through your student, earning your family even more credit toward tuition!

### How does buying a SCRIP generate revenue?

You order your SCRIP gift cards through the school and pay full face value for them. Bishop Ludden is able to buy SCRIP from hundreds of local and nationwide retailers through the Great Lakes Scrip Center at a discount. The discount, which varies from 1.5% to 25%, is returned to you as tuition credit for the following school year. For example, if you purchase a \$50 gift card from a retailer that is offering a 10% discount, you have already saved \$5 on next year's tuition bill.

If you're planning a shopping trip to Target or a dinner at Cheesecake Factory, plan ahead and shop with SCRIP! Earn money back in the process — it really adds up. Families have earned hundreds of dollars towards their tuition bills.

### How do I order SCRIP?

Download and complete an order form. There is a one time \$20 set-up fee paid annually, which covers shipping costs. Send the order to school with your student on the due date (always on a Monday) and the rest is up to our SCRIP coordinator. Your SCRIP order is returned to you or your student at school the Friday of the same week.

If you will not have a student enrolled at Bishop Ludden next year, the rebate amount will be donated to the Ludden Fund.

At Bishop Ludden, our SCRIP coordinator is Heather Chemotti. Please feel free to contact Heather at [hchemotti9@gmail.com](mailto:hchemotti9@gmail.com) with any questions. For more information, including order forms and a full list of participating retailers, visit [www.bishopludden.org](http://www.bishopludden.org).
