

Senior Portrait Information for Yearbook

The deadline for submission of senior portraits to the yearbook is Friday, October 9, 2020.

Please schedule appointments for photo sessions by the second week of August in order to allow your portrait studio enough time to submit the photos.

Photos submitted for use in the senior section of the Bishop Ludden Jr/Sr High School yearbook must meet the following specifications:

1. Color photos (no black and white), in digital format. Email digital photos to Rhenderson@syrdiocese.org
2. Young men and women should dress appropriately.
